Dear Colleagues and Friends,

The 10th Congress of the International Society of Paediatric Oncology Asia (SIOP Asia) will take place May 25-28, 2016 in Moscow, Russia. On behalf of SIOP Asia and Congress Organizing Committee it’s our pleasure to invite you to the Congress!

The aim of SIOP Asia is constant improvement of pediatric cancer treatment throughout the world. Our vision: no child should die of cancer.

We invite all healthcare professionals involved in pediatric cancer care to join us at the upcoming meeting and to contribute to its stimulating scientific atmosphere.

Join us at SIOP Asia 2016 in Moscow, city with a great historical and cultural heritage. It will be the four days of hope - hope for the new perspectives in better cancer care.

Congress President – Alexander Roumyantsev  
Deputy Congress President – Svetlana Varfolomeeva  
Congress Secretary – Kirill Kirgizov
